

CARLTON TRAIL

Course Information:

With rolling terrain and approximately 100 feet elevation difference over the 9 holes, golfers can expect many less than perfect lies as they play up. New PGA style greens were built in 2002. The finishing hole, which is a 499 yard par 5, features a second shot over a large hill that must be perfectly played to negotiate an upcoming dog leg right. The approach shot will have to carry a large pond, and avoid an out of bounds on the left, to make the green. Golfers are advised to have extra balls. Location is 18 km S of Langenburg on HWY #8 and 8 km N of Spy Hill.
