

# MAINPRIZE

## Course Information:

The golf course and the clubhouse create the main pulse of the Park. Professionally designed 18-holes of "link style" golf were carved out of the rolling, prairie wool covered terrain and the result was a facility like no other in the province! An excellent course for tournaments with a choice of yardage and a faster speed of play! This course is located halfway between Weyburn & Estevan on the Rafferty Reservoir.
