

PASQUIA

Course Information:

Lying adjacent to a tight bend in the Carrot River, the Pasquia Park Golf Course benefits from the scenic landscaping of the river valley. Starting high on the prairies with its first two holes, the course then descends into a bowl formed by the valley, where the terrain becomes lushly wooded and gently rolling. The third tee box is where this transformation begins. It sits atop the valley rim and looks out over the golf course below...including its own fairway which is tightly defined by trees. Take a moment to enjoy the view, for it yields a spectacular preview of the golf that awaits you. Mature spruce, poplar and low lying brush accent the course nicely, providing a punishing rough for your wayward shots. The trees are mostly evident near the tees, where they form narrow chutes for your drives on seven fair-ways.
