

# SILVER LAKE

## Course Information:

Our course is a lovely 9-hole course with a natural creek running through it in several areas. This is a very scenic, well-treed course. We have a challenging Par 3 water hole, well-maintained grass greens, and irrigated fairways. The trademark of the course is our swinging bridge. The course must be played to be fully appreciated. The clubhouse offers club and cart rentals. We are located 11 km N of Maidstone on HWY #21. Follow the park signs
